

## **Business Pitch: Marketplace Furniture Website**

### **Problem Statement:**

Finding quality furniture at affordable prices is a challenge for both consumers and small businesses. Traditional furniture stores have high markups, while online marketplaces lack transparency in pricing, quality, and sustainability.

### **Solution:**

Our Marketplace Furniture Website connects furniture buyers with verified sellers, offering a seamless, transparent, and affordable shopping experience. By leveraging AI and blockchain technology, we ensure fair pricing, authenticity, and a secure transaction environment.

### **Key Features:**

- **AI-Powered Recommendations:** Personalized product suggestions based on user preferences.
- **Augmented Reality (AR) View:** Visualize furniture in your space before purchasing.
- **Blockchain-Powered Authentication:** Ensures product authenticity and fair transactions.
- **Eco-Friendly & Sustainable Options:** Promotes recycled and upcycled furniture.
- **Seamless Payment & Delivery Integration:** Multiple payment options with real-time delivery tracking.

### **Market Opportunity:**

The global online furniture market is projected to reach \$40 billion by 2027, growing at a CAGR of 10%. Our platform targets both B2C and B2B segments, offering unique value propositions for buyers and sellers.

### **Business Model:**

- **Commission-Based Revenue:** A small percentage from each sale.
- **Subscription Model for Sellers:** Premium features and advertising options for verified vendors.
- **Partnerships with Logistics & Payment Providers:** Streamlining fulfillment and checkout processes.

### **Competitive Advantage:**

Unlike generic marketplaces, our platform is **furniture-specific, tech-driven, and sustainability-focused**. Our AI and AR features enhance customer engagement, while blockchain ensures trust and security.

### **Call to Action:**

Join us in revolutionizing the furniture shopping experience. We are seeking strategic partners, investors, and developers to bring this vision to life!
